Dear Jeanie:

Thank you for allowing us to try "free samples" of Elastogel. We were indeed pleased with the results and went on to make purchases to meet our needs as you know.

Enclosed is a testimonial written by Marie Medeiros, LPH and Health Service Supervisor of the unit where we tested the product.

I would also like to thank you personally for your gracious and pleasant manner.

If we can be of further assistance, please don't hesitate to call.

Sincerely yours,

*Patricia Williams, RN*
